

# CITY OF PHOENIX

## PROCLAMATION

CutisCare is spreading awareness to communities that are impacted by non healing wounds. These wounds can be caused by a variety of afflictions, particularly radiation and diabetes.

For the past 25 years, CutisCare has offered compliance-focused service, and commitment to the best physician-driven practices to assist their patients. During this time the corporation grew to become one of the largest and most respected management providers of wound healing and hyperbaric medicine services. With over 200 hospital-based wound healing centers locally and nationally, they have had a large impact in the medical field. It is my honor to recognize CutisCare for their commitment through medical services.

NOW, THEREFORE, I, KATE GALLEGO, Mayor of the City of Phoenix, Arizona in accordance with the law do hereby proclaim May 2021 as

### **HYPERBARIC AWARENESS INITATIVE MONTH**

in the City of Phoenix and urge all Phoenicians to join me in recognizing this impactful awareness initiative.
