

WE ARE TURNING ON THE PRESSURE ... FOR HYPERBARIC AWARENESS!

Hyperbaric *Awareness*

Explore the many benefits of Hyperbaric Oxygen Therapy and give your healing a fighting chance.

- Maximizes the affects of antibiotics and optimizes leukocytes that kill dangerous bacteria in the body
- Increase antibacterial activity
- Increases the creation of new blood vessels that help tissues repair wounds
- 100% pure oxygen activates the growth factors in blood platelets
- Stimulates better circulation and decrease swelling to eliminate fluid buildup
- Hyperoxygenation stimulates healing

All while comfortably relaxing in a clean & sterile environment!
